Club #568

Meeting: June 10, 2010

Next Program

June 27, 2010 – Marilyn Newton, Reno Gazette Journal photographer.

Meeting Highlights

Our guest speaker was RGJ photographer Marilyn Newton. Unfortunately, President Honey had so many fines and announcements we ran out of time and she couldn't do her presentation. She has graciously agreed to return on June 24th. She teased us with a couple of photos and it promises to be an interesting program.

Announcements

Tom deJong has the mystery bus trip for President LaVonne's demotion party scheduled to leave the Atlantis at 6:00 PM on Friday, June 18th. Still room on the bus, we can have 50 people.

Tom Hegge announced that the RSR picnic will be held at Galena State Park on August 5th, details and signups soon.

We are looking for volunteers for Reno Rodeo beer sales on Tuesday June 22 and Thursday June 24. Contact Chuck Malley for details.

Bob Hardenbrook and Royden Reed are organizing a Project Amigo trip to Colima Mexico from March 13 thru 20, 2011. The goal is to do two water projects and computer labs for two orphanages in Colima. Each orphanage serves 40 to 50 kids who attend Project Amigo schools. They can't remain competitive without computers and they spend valuable time getting water as they currently have no potable water source. Approximate cost for the trip will be \$450 for air fare and \$1200 per person (double occupancy) for lodging. Think of it as a vacation as Bob and Royden promised road trips and fun for all. We need 20 participants to make the project an RSR exclusive trip. Contact your cruise director Royden Reed if you are interested.

Editor's Note

My apologies for being behind. It turns out that not all computer updates are beneficial. Internet Explorer 8 killed my ability to edit photos. All is well now and I will strive to get these caught up by next week.
